“ This is my dear, sweet Daddy! He was a very caring dad and always kept us laughing! Never a dull moment with dad around. I will forever cherish the moments I spent with him as a child and all the more serious moments and conversations we shared as an adult! I love my daddy with all my heart and life will never be the same. I rest assured that he is with our God in heaven reunited with his parents and others that went before him. I miss having him here but I know we will be reunited again. I love you Daddy, I know u will continue to watch over us!!!
