“ I can remember how Richard and I met. Thru amtguard (?). Richard you were and always will be my best and closest friend above all else. I loved you and always will. I know what we had at the end was true and the way it should have been. I want to thank you with all my heart for how much love you gave our daughter and for raising her to be the young woman she has grown into. I have regrets in my life but meeting and knowing you will never be one. May you be at peace now. Tell Ma hi for me.
